Project Kitchens offers premium quality New Zealand designed and European made kitchens for 40% less than an equivalent New Zealand custom built kitchens - making us one of the best kept secrets in the local kitchen market.

If you're after on trend kitchens at bargain prices that are ready for install in days, then look no further than Project Kitchens.

Our range starts with NIKI for sleepouts or small spaces, JULIA a popular choice for rentals and tight budgets and EURO our premium best selling range. See inside for styles, tips and design ideas to get you on the fast track to your dream kitchen with Project Kitchens.

Our **NIKI** range is made from standard melamine board with PVC edging, and is ideal for second kitchens, sleepouts, laundries and extra storage. When your budget or space is tight – NIKI is just right.

BASIC 1,800 mm long
Cabinet sets from \$599

Tip: To make cabinet and appliance doors fully functional, plan space for the door's clearance and swing direction. Keep appliances away from corners, and make sure doors won't bang into each other if opened at the same time.

BASIC 2,600 mm long
Cabinet sets from \$859

“

When we needed a quick solution for our sleep out, our NIKI kitchen was just the ticket and at a price we couldn't believe.

– B. Jamieson, Tauranga

”

Our popular **JULIA** range offers designer looks and great value for money. JULIA cabinets are perfect for rentals, do-ups or home renovations. Here are a few ways to combine our JULIA cabinets for function and style.

High gloss white with horizontal glass doors. Cabinet sets from \$1,690

Tip: Place filler panels in-between appliances. They provide important protection especially beside ovens which can leak heat.

Sonoma Oak style with frosted glass vertical doors. Cabinet sets from \$1,299

Once installed, our JULIA kitchen looked like a \$20,000 kitchen. We were so happy with it's style and quality finish.

- J. Austin, Hamilton

Our **EURO** range offers premium quality European made kitchens for 40% less than an equivalent New Zealand custom built kitchen. Our EURO range comes with many cabinet surface options giving you greater flexibility to create your own custom designer kitchen or change your cabinet surfaces easily over time. Here are a few ways to combine our EURO cabinets to create a stunning look.

ANNA
U SHAPE
Cabinet sets from \$4,980

Tip: Place a shelf near the cooktop to keep cooking oils, utensils, and spices handy.

ARCTIC WHITE
U SHAPE
Cabinet sets from \$6,860

“
Style and elegance are important to me – but not at any expense! I was thrilled to get my dream kitchen at a price I could actually afford.
– K. Longston, Auckland

”

ZOBAL
ISLAND STYLE
Cabinet sets from \$4,340

Tip: When designing your kitchen allow for landing space beside your cooktop, microwave and refrigerator.

VENGE MAGIC
GLASS DOORS
Cabinet sets from \$1,960

Tip: Think about how and where you use items. Keep wraps and plastic containers in one handy spot near a work surface for wrapping leftovers. Locate dishware and flatware near the dishwasher.

SIBU WHITE
SMALL KITCHEN
Cabinet sets from \$2,980

Tip: Chefs who like to cook require more counter space. The best positions are near the cooktop and sink.

EBONY
LARGE KITCHEN
Cabinet sets from \$2,190

Tip: Get creative. EURO cabinets come with many surface options giving you the ability to create a completely custom kitchen for your home.
